

SCHEME OF WORK

Year	3/4	5/6
LESSON 1	Lesson Objective: Learning to the control of the ball and playing with your head up. Success Criteria: All - Play with their heads up. Most – Master the control of the ball. Some – All of the above at an increased tempo.	Lesson Objective: Mastering the control of the ball and playing with your head up. Success Criteria: All - Play with their heads up. Most – Master the control of the ball. Some – All of the above at an increased tempo.
LESSON 2	Lesson Objective: Mastering the control of the ball and playing with your head up. Success Criteria: All - Play with their heads up. Most – Master the control of the ball. Some – All of the above at an increased tempo.	Lesson Objective: Mastering the control of the ball and playing with your head up. Finding space and passing effectivity Success Criteria: All - Play with their heads up. Some basic passes achieved Most – Master the control of the ball. Consistent passes achieved Some – All of the above at an increased tempo.
LESSON 3	Lesson Objective: Introduction to passing Success Criteria: All - basic passing and find space Most – Master the control of the ball effective passes and stopping of the ball	Lesson Objective: Defending as a team and as an individual- understanding marking Success Criteria: All - Understand the concept of marking and demonstrate this Most – show good defending knowledge both as an individual and team Some – All of the above with consistency
LESSON 4	Lesson Objective: Confident dribbling. Understanding defending Success Criteria: All - A basic defending understanding	Lesson Objective: Using space to help beat an opposition Success Criteria: All - Understanding the importance of using the space and exploiting it in

	Most – Some good ball control demonstrated with some interceptions Some – good confidence demonstrated on the ball and able to intercept regularly, shielding demonstrated	the activity to varying levels
LESSON 5	Lesson Objective: Using both attacking and defending skills Success Criteria: All - Demonstrating some elements from previous lessons (passing, dribbling-head up, defending) Most – Demonstrating many elements from previous lessons (passing, dribbling-head up, defending) Some – Confidently demonstrating many elements from previous lessons (passing, dribbling-head up, defending)	Lesson Objective: Using both attacking and defending skills Success Criteria: All - Demonstrating some elements from previous lessons (passing, dribbling-head up, defending) Most – Demonstrating many elements from previous lessons (passing, dribbling-head up, defending) Some – Confidently demonstrating many elements from previous lessons (passing, dribbling-head up, defending)
LESSON 6	Lesson Objective: Using both attacking and defending skills in a game play scenario Success Criteria: All - Demonstrating some elements from previous lessons (passing, dribbling-head up, defending) Most – Demonstrating many elements from previous lessons (passing, dribbling-head up, defending) Some – Confidently demonstrating many elements from previous lessons (passing, dribbling-head up, defending)	Lesson Objective: Using both attacking and defending skills in a game play scenario Success Criteria: All - Demonstrating some elements from previous lessons (passing, dribbling-head up, defending) Most – Demonstrating many elements from previous lessons (passing, dribbling-head up, defending) Some – Confidently demonstrating many elements from previous lessons (passing, dribbling-head up, defending)
